

INTERGROUP AGENDA November 11, 2018

Open with Serenity Prayer

Review the minutes from the last meeting.

Done

Reports:

Webmaster Report 1 fixed bug with maps that weren't showing up in right locations. Please check up on his work. 2 The webmaster has a working meeting list which can be created dynamically. His question is if there is a way to store contacts' info offline. He wants to liase with mtg list person about that. The phone person chimed in that she's getting good feedback on the web site.

Would like to have step by step directions to meetings to post online. Can we spread the word that he is looking for clear written directions. Could we announce that at meetings and send that info to the webmaster.

Phone

Going great. Two people covered while she was in Ireland. Needs to be reimbursed for various expenses. ¥18,810

Treasurer

Not present.

Meeting list

Nothing to report. Still needs to be reimbursed for the last batch of meeting lists. Has asked for reimbursement email but hasn't been reimbursed.

Chair, Jordan

Nothing to report as chair.

Old Business

KPF Campout was great.

New Business

The Grapevine

Chairman mentioned the Grapevine. Why don't we see Grapevines around here? Why aren't there Grapevine reps?

How can we get some awareness of it out there?

Maybe intergroup could explain on the web site a little bit about it?

Should we put a link to it on the web site?

We're not doing literature here. Perhaps the webmaster could put something on the web site referring people looking for AA literature to the JSO site and also a link to the Grapevine?

MOTION: To put a link that says "literature" with info on Grapevine and the JSO's web site for other literature purchases. PASSED

How long are our terms as officers? Our first year is coming to an end. Two years seems ok.

Close with the Serenity Prayer

Next Intergroup Meeting is **January 6** at 6:00PM on the 4th Floor at the Tokyo Union Church

Prepared by Pat B.
